The listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

Claim 1 (Previously Presented) A display and dispensing assembly for use in combination with a freezer cabinet which has an internal temperature T1, said display and dispensing assembly comprising

- (a) a housing located externally of the freezer cabinet
- (b) a chamber within the housing in which products can be stored and from which they can be dispensed, said products being stored at a temperature of T2 which is higher than T1
- (c) first heat transfer means within the housing
- (d) second heat transfer means intended to be placed inside the freezer cabinet
- (e) means for circulating a heat transfer fluid through the first and second heat transfer means,

and wherein the assembly is removable from the freezer cabinet.

Claim 2 (Original) A display and dispensing assembly as claimed in claim 1 wherein the first heat transfer means comprises pipework around the chamber through which the heat transfer fluid is pumped

Claim 3 (Currently Amended) A display and dispensing assembly as claimed in claim 1 ~~or claim 2~~ wherein the second heat transfer means is connected to the first heat transfer means by flexible tubes that pass over a side wall of the freezer cabinet.

Claim 4 (Currently Amended) A display and dispensing assembly as claimed in ~~any one of claims 1 to 3~~ claim 1 wherein the second heat transfer means may comprise pipework housed around a casing of a thermally conductive material.

Claim 5 (Original) A display and dispensing assembly as claimed in claim 4 wherein the casing contains a eutectic material

Claim 6 (Original) A display and dispensing assembly as claimed in claim 5 wherein the eutectic material has a freezing point in the range -10 to -17°C

Claim 7 (Currently Amended) A display and dispensing assembly as claimed in ~~any one of the preceding claims~~ claim 1 wherein the temperature T1 is less than -16°C

Claim 8 (Original) A display and dispensing assembly as claimed in claim 7 wherein the temperature T1 is less than -10°C

Claim 9 (Currently Amended) A display and dispensing assembly as claimed in ~~any one of the preceding claims~~ claim 1 wherein the temperature T2 is in the range -2° to -15°C

Claim 10 (Original) A display and dispensing assembly as claimed in claim 9 wherein the temperature T2 is in the range -6° to -12°C

Claim 11 (Currently Amended) A display and dispensing assembly as claimed in ~~any one of claims 1 to 8~~ claim 1 wherein the temperature T2 is in the range +2° to +8°C

Claim 12 (Original) A display and dispensing assembly as claimed in claim 11 wherein the temperature T2 is around +4°C
